Start tapping your toes as the delightful and hilarious musical comedy *DAMES AT SEA* docks on the intimate stage of North Coast Repertory Theatre. This charming musical wowed the critics when it opened, marking the debut of Bernadette Peters, who starred as Ruby. A musical for all ages, young and old, *DAMES AT SEA* will charm and delight with comedy songs, love songs and everything in between. This musical is an all-singing, all-dancing tap extravaganza. An energetic All-American girl arrives in the Big Apple with nothing but a pair of tap shoes in her suitcase.

Music! Curtain! Lights! It's time for magic!
